## Section 1: PRODUCT AND COMPANY IDENTIFICATION

### 1.1 Product identifiers

Product Name	<b>Strawberry Furanone Neat, Synthetic</b>
Product Number	<b>0317400</b>
CAS-No.	3658-77-3

### 1.2 Product Recommended Use

**Flavorings**

### 1.3 Preparation Information

Company	Aurochemicals 7 Nicoll Street Washingtonville, NY 10992
Telephone	845-496-6065
Fax	845-496-6248

### 1.4 Emergency Telephone Number

1-800-535-5053  
International - 1-352-323-3500 collect

## Section 2: HAZARD(s) IDENTIFICATION

### 2.1 Classification of substance or mixture

GHS Classification in accordance with 29 CFR 1910 (OSHA HCS) Acute toxicity, Oral (Category 4), H302

### 2.2 GHS Label Elements, Including precautionary statements

Pictogram

Signal Statement  
Hazard Statement(s)

**WARNING**

Precautionary Statement(s)

H302 Harmful if swallowed

P264 Wash skin thoroughly after handling  
P270 Do not eat, drink or smoke when using this product  
P301+P312 IF SWALLOWED: Call a POISON CENTER or doctor/physician if you feel unwell  
P302+P352 IF ON SKIN: Wash with soap and water  
P330 Rinse mouth  
P501 Dispose of contents/container to an approved waste disposal plant.

### 2.3 HNOC (Hazards not otherwise classified or not covered by GHS)

None

### Section 3: COMPOSITION / INFORMATION ON INGREDIENTS

#### 3.1 Substances

Chemical characterization	Natural Product
Synonyms	Furaneol 2,5-Dimethyl-4-hydroxy-3 (2H) furanone Strawberry furanone
Formula	C <sub>8</sub> H <sub>8</sub> O <sub>3</sub>
Molecular Weight	128.13 g/mol
CAS-No	3658-77-3
EC-No.	222-908-8

#### Hazardous Components

Component	Classification	Concentration
4-Hydroxy-2,5-dimethylfuran-2(3H)-one	Acute Toxicity (4) H302	100%

### Section 4: FIRST AID MEASURES

#### 4.1 Description of first aid measures

General Advice	Consult a physician. Show this safety data sheet to the doctor in attendance. Move out of dangerous area.
Inhalation	Provide fresh air; keep at rest and at a comfortable position to breathe. Consult a physician
Contact with skin:	Remove contaminated clothing. Rinse skin with cool water then wash with mild soap and warm water. Consult a physician
Contact with eyes:	Rinse thoroughly with plenty of water for at least 15 minutes as a precaution.
Ingestion	DO NOT induce vomiting. Never give anything by mouth to an unconscious person. Rinse mouth with water. Consult a physician.
Clothing contamination:	Remove contaminated clothing and wash before reuse.

4.2 Most important symptoms and effects both acute and delayed See section 2.2 and or section 11

4.3 Indication of any immediate medical attention and special treatment needed No data available

### Section 5: FIREFIGHTING MEASURES

5.1 Extinguishing Media Suitable Extinguishing Media	Use water spray, alcohol resistant foam, dry chemical or carbon dioxide
5.2 Special hazards arising from the substance or mixture	Carbon oxides
5.3 Advice for fire fighters	Wear self contained breathing apparatus for firefighting if necessary. Emits toxic fumes under fire conditions
5.4 Further information	Use water spray to cool unopened containers.

### Section 6: ACCIDENTIAL RELEASE MEASURES

6.1 Personal precautions, protective equipment and emergency procedures	Use personal protective equipment. Avoid breathing vapors. Mist or gas. Ensure adequate ventilation. Remove all sources of ignition. Evacuate personnel to safe areas. Beware of vapors accumulating to form explosive concentrations. Vapors can accumulate in low areas.
-------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

- |     |                                                           |                                                                                                                                                           |
|-----|-----------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|
| 6.2 | <b>Environment precautions</b>                            | Prevent further leakage or spillage if safe to do so. Do not allow to enter drains or sewage system. Discharge into the environment must be avoided.      |
| 6.3 | <b>Methods and materials for containment and clean up</b> | Contain spillage, Pick up and arrange disposal without creating dust. Sweep up with broom and shovel. Place in a suitable, closed container for disposal. |
| 6.4 | <b>Specific end use(s)</b>                                | Apart from the uses mentioned in section 1.2, no other specific uses are stipulated.                                                                      |

## Section 7: HANDLING AND STORAGE

- |     |                                      |                                                                                                                                                               |
|-----|--------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 7.1 | <b>Precautions for safe handling</b> | Avoid contact with skin and eyes. Avoid formation of dust and aerosols. Provide appropriate exhaust ventilation at places where dust is formed.               |
| 7.2 | <b>Conditions for Safe storage</b>   | Keep container tightly closed in a dry and well-ventilated place.<br><b>Recommended storage temperature: 2-8°C</b><br><b>Air Sensitive. Keep in dry place</b> |
| 7.3 | <b>Specific End use(s)</b>           | Flavorings                                                                                                                                                    |

## Section 8: EXPOSURE CONTROLS/PERSONAL PROTECTION

- |     |                                                                           |                                                                                                                                                                                                                                                                                                                                    |
|-----|---------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 8.1 | <b>Control parameters</b><br>Components with workplace control parameters | Contains no substance with workplace control parameters                                                                                                                                                                                                                                                                            |
| 8.2 | <b>Exposure Controls</b><br>Appropriate Engineering Controls              | Handle in accordance with good industrial hygiene and safety practices. Exhaust fan in areas handling this product.                                                                                                                                                                                                                |
|     | <b>Personal protective equipment</b>                                      | <b>These recommendations are advisory only and must be evaluated by an industrial hygienist and safety officer familiar with the specific situation of anticipated use by our customers. They should not be construed as offering an approval for any specific use scenario.</b>                                                   |
|     | Eye/face protection                                                       | Wear appropriate tightly fitting safety goggles. NIOSH tested and approved.                                                                                                                                                                                                                                                        |
|     | Skin protection                                                           | Wear chemically resistant gloves of Nitrile rubber, 11 mm. Use proper glove removal techniques (without touching gloves outer surface) to avoid skin contact with this product. Dispose of contaminated gloves after use. Wash and dry hands.                                                                                      |
|     | Body protection                                                           | Complete suit protecting against chemicals, made of flame retardant antistatic material should be selected specifically for the work place, depending on concentration and quantity of the hazardous substances handled. The resistance of the protective clothing to chemicals should be ascertained with the respective supplier |
|     | Respiratory protection                                                    | For nuisance exposure use type P95 (US) or type P1 (EU EN 143) particle respirator. For higher level of protection use type OV/AG/P99 (US) or type ABEK-P2 (EU EN 143) respirator cartridges. Use respirators and components tested and approved under appropriate government standards such as NIOSH (US) or CEN (EU).            |
|     | Control of environmental exposure                                         | Prevent further leakage or spillage if safe to do so. Do not let product enter drains. Discharge into the environment must be avoided.                                                                                                                                                                                             |

## Section 9: PHYSICAL AND CHEMICAL PROPERTIES

- |     |                                                              |                                    |
|-----|--------------------------------------------------------------|------------------------------------|
| 9.1 | <b>Information on basic physical and chemical properties</b> |                                    |
|     | a Appearance                                                 | Powder, White to pale yellow solid |
|     | b Odor                                                       | Sweet, fruity aroma                |

# Safety Data Sheet

c	Odor Threshold	No data available
d	pH	No data available
e	Melting Point /Freezing Point	78-81.5°C
f	Boiling Point	215.5oC
g	Flash Point	93.3°C ( for Liquids only)
h	Evaporation Rate	No data available
i	Flammability (Solid, Gas)	No data available
j	Upper/lower Flammability Limit	No data available
k	Vapor pressure	No data available
l	Vapor density	No data available
m	Relative density @25°C	No data available
n	Solubility	1g in 1mL of 95% alcohol
o	Partition coefficient: n-octanol/water	No data available
p	Auto-ignition Temp.	No data available
q	Decomposition Temp,	No data available
r	Viscosity	No data available
s	Explosive properties	No data available
t	Oxidizing properties	No data available

**9.2 Other Safety Information** No data available

## Section 10: STABILITY AND REACTIVITY

<b>10.1 Reactivity</b>	No data available
<b>10.2 Chemical Stability</b>	Stable under recommended storage conditions
<b>10.3 Possibility of Hazardous reactions</b>	No data available
<b>10.4 Conditions to avoid</b>	No data available
<b>10.5 Incompatible materials</b>	Strong Oxidizing agents
<b>10.6 Hazardous decomposition products</b>	No data available
<b>10.7 Further Information</b>	No data available

## Section 11: TOXICOLOGICAL INFORMATION

### 11.1 Information on toxicological effects

#### Acute Toxicity

LD50-Oral -Mouse	1,608 mg/kg
LC50-Inhalation	No data available
LD50-Dermal	No data available
Skin corrosion/irritation	No data available
Serious eye damage/eye irritation	No data available
Respiratory or skin sensitization	No data available
Germ Cell mutagenicity	Mouse – Micronucleus test; Sister Chromatid exchange, sperm

#### Carcinogenicity

IARC	No component of this product, present levels greater than or equal to 0.1% is identified as probable, possible or confirmed human carcinogen by IARC.
ACGIH	No component of this product, present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by ACGIH.
NTP	No component of this product, present at levels greater than or equal to 0.1% is identified as a known or anticipated carcinogen by NTP.

	OSHA	No component of this product, present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by OSHA.
Reproductive toxicity		No data available
Teratogenicity		No data available
Specific target organ toxicity-single exposure (GHS)		No data available
Specific target organ toxicity-repeated exposures (GHS)		No data available
Aspiration Hazards		No data available
Signs and Symptoms of Exposure		To the best of our knowledge, the chemical, physical, and toxicological properties have not been thoroughly investigated
Synergistic effects		No data available
RTECS:		LU3990000

## Section 12: ECOLOGICAL INFORMATION

12.1	<b>Toxicity</b>	No data available
12.2	<b>Persistence and degradability</b>	No data available
12.3	<b>Bioaccumulative potential</b>	No data available
12.4	<b>Mobility in soil</b>	No data available
12.5	<b>Results of PBT and vPvB assessment</b>	PBT/vPvB assessment not available as chemical safety assessment not required / not conducted
12.6	<b>Other adverse effects</b>	No data available

## Section 13: DISPOSAL CONSIDERATIONS

13.1	<b>Disposal methods</b>	
	Product:	According to local regulations
	Packaging	According to local regulations

## Section 14: TRANSPORT INFORMATION

DOT (US)	Not dangerous good
IMDG	Not dangerous good
IATA	Not dangerous good

## Section 15: REGULATORY INFORMATION

Reach No.	A registration number is not available for this substance as its uses are exempted from registration, the annual tonnage nod not require a registration or the registration is envisaged for a later registration deadline.
SARA 302 Components	No chemicals in this material are subject to the reporting requirements of SARA Title III, Section 302
SARA 313 Components	This material does not contain any chemical components with known CAS numbers that exceed the threshold (De Minimis) reporting levels established by SARA Title III, Section 313.
SARA 311/312 Hazards	Acute Health Hazard

# Safety Data Sheet

Massachusetts Right to Know  
components

No components are subject to the Massachusetts Right to Know Act

Pennsylvania Right to Know components

4-Hydroxy-2-5, dimethylfuran-2(3H)-one CAS# 3658-77-3 Rev. Date:

New Jersey Right to Know components

4-Hydroxy-2-5, dimethylfuran-2(3H)-one CAS# 3658-77-3 Rev. Date:

California Prop. 65 components

This product does not contain any chemicals known to State of California to cause cancer, birth defects, or any other reproductive harm.

## Section 16: OTHER INFORMATION

### HMIS Rating

Health hazard 1  
Chronic Health Hazard  
Flammability 0  
Reactive Hazard 0
